VERANDA BLEND™ Blonde | Mellow and Soft

Forty years of coffee-roasting expertise inspired our master roasters to perfect Starbucks® Blonde roast – a lighter, gentler take on the Starbucks Roast. Flavourful without being overly bold, this coffee brews a delightfully gracious cup that's perfect for welcoming friends or greeting a new day.

HOUSE BLEND Medium | Lively and Balanced

Since we opened our very first store, we've welcomed coffee lovers with this signature expression of our fresh roasting style – wonderful balance, crisp acidity, nut and cocoa notes, and a touch of sweetness from the roast.

PIKE PLACE® ROAST Medium | Smooth and Balanced

In 1971 we opened our first store in Seattle's Pike Place Market. Reflecting on our heritage inspired us to create this amazing blend with soft acidity, smooth body and subtle flavours of cocoa and toasted nuts. It's a rich, satisfying cup that's balanced enough to enjoy every day.

FRENCH ROAST Dark | Intense and Smoky

It's our darkest and boldest and not for the faint of heart. We start with high-quality beans that can withstand the intense fires that make French Roast what it is, and we roast them to their edge. The result is a delectably smoky cup, intense and uncompromising.

SUMATRA Dark | Earthy and Herbal

Like the Sumatran tiger, this coffee makes its presence known. It's big and bold with distinctive earthy aroma and lingering low notes. The heavy, full body and concentrated herbal spice notes and hallmarks of great coffee from Sumatra and the pride of our most seasoned roasters.
